

Honeylight Leadership Management ©

In this short course we facilitate applied learnings and shared understandings of your own **LEADERSHIP STYLES AND HOW THIS FITS INTO A TEAM ENVIRONMENT**

Learning Outcomes

- z Dealing and developing comfort zones
- z Development opportunities
- z Enhanced team building capabilities in light of leadership/management styles at work
- z Linking individual management styles and character traits to team roles, culture, and strategies
- z Applying the 10 most frequently talked-about leadership styles
- z How to work ubiquitously: Wearing many hats
- z How to engage different types, employing powerful motivational forces, and using Engagement/Climate Survey for cultivating and sustaining the best culture
- z Leading and building your team
- z What works with your business culture

This session is interactive and immediately applicable back at work.

Action Planning for leadership balance and team building is an expected and inevitable outcome of the course.
